

Improve your writing skills, one paper at a time.

PACE Writing Center

The **PACE Writing Center** offers writing support to meet the needs of all students at Chatham, from first-years to graduate students. Writing is one of the most important proficiencies a college graduate must possess. We can assist with many phases of the writing process, from brainstorming and pre-writing through revision and self-editing.

How can we help you?

- Getting started with pre-writing & brainstorming
- Reviewing a draft
- Checking for clarity and focus
- Building solid thesis statements & arguments
- Reviewing instructor feedback
- Citations and formatting
- Grammar & mechanics

What can't we do for you?

- Proofread and make corrections for you
- Work with take-home exams
- Review more than 10 pages in one appointment

Who are we?

- Professional Staff
- Graduate Writing Mentors
- Undergraduate Peer Reviewers

What Students Say...

"The Writing Center is wonderful! I will be visiting them for the whole academic year with my papers. I appreciate everything the writing center through PACE has done for me the past couple of years!"
